

Foreign & Commonwealth Office - Climate Change and Energy Group

Project & Strategy Brochure's. The client said: We really appreciated Resource's help, advice and support at the start of this important project. During the course of the project they always met our deadlines, whilst identifying cost saving where appropriate. I look forward to working with them again. I would happily recommend Resource to other colleagues.

Fletcher King - Chartered Surveyors.

Commercial Property brochures and Advertisements. The client said: Resource had a very clear understanding of what was required and had numerous suggestions on approaches and they were supplied very promptly. The project timetable was met within budget. I would not hesitate in recommending Resource to others.

Department of Health. Alan - Children's National Service Framework.

Design, artwork and print over 20 titles for the launch of the Children's National Service Framework. The client said: The contract was won through a competitive creative pitch against a number of approved agencies. The quality and accuracy of the work was excellent in what turned out to be a much more complicated and extensive project than originally planned. I was also very impressed by the company's ability to respond to our demands.

The overall performance of Resource was excellent. We cannot thank you enough for all of your efforts in making our NSF what it is today' a very sought after set of literature it is greatly appreciated.

IFPI - Annual Report.

Design annual annual report & print. The client said: Resource are familiar with our brief for this project and understand the need to improve the design and production year on year. This year's publication has surpassed previous editions' design and presentation. Resource have helped us deliver an outstanding report.
